EARLY CLOSING FOR BARBERS A Proposition to Shut Up the Shops Some of the Charges Brought nt 7 o'Clock P. M.

the subject of early closing came up for discussion and it was decided to appoint ceives a salary of \$175 a month. committee of one to visit all the boss barbers in the city and secure, if possible, for the ordinary necessities of life

ops in the District. It is believed that ed as counsel for the petitioner. at least 90 per cent of the bess barbers will agree to the proposed schedule for

be held within a few days, when steps will be taken to put in operation the early

this morning: "If we stand together we can carry into effect the early closing movement. And I believe that if the public understand the situation there would be no trouble. Just think of the long hours a barber has to work.

quently 8:30 o'clock in the evening before frequently long after midnight before the lights are turned out. When our patrons come to understand that the shops will close at 7 o'clock every evening except Saturday, and in the evening of that day at 11 o'clock, they will make it convenient to be on time. It has only been a few years since the shops were opened on Sunday. The boss barbers made Sunday closing possible. True, some shops even now violate the Sunday agreement, but most of them stand by the pledge, and the result is that the workmen have one day of rest each week. This matter has been agitated before, but this time we mean business, and I believe we will carry our ess, and I believe we will carry our
